Jose Antonio Grifols Lucas Foundation Charitable Donation Application

Below each charitable organization or foundation (each individually an “Organization” and collectively the “Organizations”) which wishes to receive the financial support of the Jose Antonio Grifols Lucas Foundation (the “Foundation”) will find the charitable donation application (the “Application”) it must submit to the Foundation in order for their charitable donation requests to be reviewed by the Foundation. The Foundation’s support is generally intended for civic, social, environmental or educational programs that address the needs of the communities where Grifols plasma donor centers are located as a means by which to strengthen community bonds and support the needs of the community which helps Grifols do so internationally through their work.

Please note the Foundation will not financially support pilot programs, capital fundraising programs, or requests for items/services that directly or indirectly assist or implement fundraising activities of an Organization at this time. Additionally, the Foundation will not consider Applications from schools, except under extenuating circumstances.

In order to maximize the impact of the Foundation’s charitable donations, the Foundation encourages those Organizations seeking financial support consideration from the Foundation to be able to support a grant request of at least fifteen thousand U.S. dollars (\$15,000.00 USD). Such amount should not include requests for funds to in any way supplement employee salaries unless such salaries are affiliated with specific program funding explicitly stated as such within the request.

An Application may be submitted by third parties not affiliated with the Foundation. An Application may also be submitted to the Foundation for consideration by individuals designated by the Board of Directors of the Foundation (the “Board”) to solicit Applications that meet all of the aforementioned criteria and any other legal and permissible goals or objectives for charitable giving articulated by the Board that are aligned with the mission of the Foundation.

Organizations seeking consideration from the Foundation may apply once a year for two (2) consecutive years. After submitting an Application for two (2) consecutive years, an Organization must wait one (1) year before once again submitting an Application for the Foundation’s review. All Applications must be in writing and include:

1. One (1) letter of request on the Organization’s stationary that includes a contact name, address, appropriate contact information, and website address where appropriate AND
2. A completed Application.

Please complete and submit the following application with all supporting documentation to jagrifolsfoundation@grifols.com.
